## ORTEC ENVIRONNEMENT STRENGTHENS ITS POSITION IN THE LE HAVRE REGION WITH THE ACQUISITION OF ATMNI

**ATMNI, a company specializing in industrial cleaning and industrial maintenance, joins the Ortec Group.**

From February 1<sup>st</sup>, the 60 ATMNI employees will join our Ortec Environnement agency in Le Havre (210 employees) Ortec thus reinforces, in the Le Havre region, its services offer and its means of intervention in terms of industrial cleaning and industrial maintenance.

**Julien EINAUDI**, Director of the Global Services Division: "We are delighted to welcome the teams from ATMNI, recognized for their expertise, particularly in the petrochemical industry. The specificity of the Ortec Group is grounded in its operational excellence and the absolute priority we place on the safety of individuals and the security of installations. Thanks to ATMNI, our Group strengthens its position in the petrochemical sector in Le Havre."

**Emmanuel ROCHE**, Director of the Industrial Maintenance and Environment Department: "The acquisition of ATMNI makes it possible for us to strengthen our intervention capacity with our clients. With the backing of 60 ATMNI employees, we will continue to put safety, training and the ramp of skills for our teams at the heart of our development."

The new entity, based in Saint-Vigor d'Ymonville, is now part of the Ortec Environnement agency in Le Havre, under the management of **Marc DASSONVILLE**.
